

Alva Wärnä

UX och graphic design

Hi! 🙌

My name is Alva, and I work as a Delivery Designer at a web agency in Norrköping. I'm dedicated and keen to constantly develop my skills, and I'm just as comfortable working independently as I am in larger teams. I'm now looking forward to the next step in my career!

Language skills

Swedish	Mother tongue
English	Fluent

Stipend

Visual Sweden

The opportunity to commercialise my final-year project at University over the summer, taking it from a UX concept to a developed mobile app.

2022

Education

Bachelor in Graphic Design and Communication

Linköping University, campus Norrköping

2019 - 2022

Strategic communication on social media - MK108G

Stand-alone course, Mittuniversitet

2021 - 2022

Work experience

2022 - Current employment

Delivery designer | Bishop Media

This role involves a lot of personal responsibility, covering the entire process from initial concept to the launch of the website and ongoing support.

UX design, project management and brand building in projects where I design and build websites for clients of all sizes.

Since January 2024, Bishop Media has been part of Angry Creative Group.

2017 - 2018

Au Pair | Cultural Care

A year working as an au pair in Boston, MA.

From this job, I have gained a high degree of independence, problem-solving skills and a very good command of English.

Technical expertise

Figma, Wordpress, Avada, Elementor, HTML/CSS, Illustrator, Indesign, Photoshop, After Effects, Premiere Pro, Blender and more.
